Re: Peter Alexandrou

Peter and I have known each other since 2001 when he trained to become a Red Cross Sport First Aid Instructor and subsequently a Red Cross Sport Master Instructor Trainer for the Sport Alliance of Ontario (SAO).

Sport First Aid is the result of a partnership between the Canadian Red Cross and the SAO, offering Standard First Aid and CPR certification with a focus on sport injury prevention and care.

During the period of 2001-2006, Peter facilitated Sport First Aid courses both in-house at the SAO in Toronto and in various locations throughout the province of Ontario. In each course he taught, Peter demonstrated his extensive knowledge of first aid/CPR, his outstanding leadership ability and his vast experience and involvement in sports, both in a coaching/mentorship and participant capacity.

As Program Coordinator, Sport Safety Programs, I relied heavily on Peter's background and expertise in his role as Master Instructor Trainer, to provide valuable input in the development and growth of the Sport First Aid program.

Should you have any questions regarding Peter's employment with the Sport Alliance of Ontario, please do not hesitate to contact me.

Sincerely,

Heather Stephens
